These media losers just continue to lie.

As a former CrossFit gym owner and competitor, I know a thing or two about drop-ins.

These gyms are FORCED by DC's Democrat mayor to RESTRICT access.

It doesn't take more than a Google search.

Our first session of New Member Orientation covered COVID in Congress.

Masks, masks, masks....

I proudly told my freshman class that masks are oppressive.

In GA, we work out, shop, go to restaurants, go to work, and school without masks.

My body, my choice.

I work out everyday in a CrossFit gym that is open.

With people.

Gyms are small businesses that have been devastated by the government mandated shut downs.

In DC, NOTHING is open bc of Democrat tyrannical control.

So here's my hotel room workout.

We must FULLY reopen!

These media losers just continue to lie.

As a former CrossFit gym owner and competitor, I know a thing or two about drop-ins.

These gyms are FORCED by DC's Democrat mayor to RESTRICT access.

It doesn't take more than a Google search.

These media losers just continue to lie.

As a former CrossFit gym owner and competitor, I know a thing or two about drop-ins.

These gyms are FORCED by DC's Democrat mayor to RESTRICT access.

It doesn't take more than a Google search.

Our first session of New Member Orientation covered COVID in Congress.

Masks, masks, masks....

I proudly told my freshman class that masks are oppressive.

In GA, we work out, shop, go to restaurants, go to work, and school without masks.

My body, my choice.

I proudly told my freshman class that masks are oppressive.

In GA, we work out, shop, go to restaurants, go to work, and school without masks.

My body, my choice.

Our first session of New Member Orientation covered COVID in Congress.

Masks, masks, masks....

I proudly told my freshman class that masks are oppressive.

In GA, we work out, shop, go to restaurants, go to work, and school without masks.

My body, my choice.

It's not "your body your choice" if you infect others. What the heck are you thinking?

Did you really write this....or did someone hack into your account?

Democrats scheduled new member sessions Sunday morning.

Democrats are the party that shut down church and believe government is God.

We disagree.

We are going to church.

Welcome to the 117th Congress.

Due to BLM / Antifa TERRORIST violence, I thankfully had a police escort from the Trump Hotel to my Lyft.

The streets of DC were a war-zone, but I was left defenseless bc of anti-gun Democrats who run this city.

I will work every day to END every gun-free zone.

I work out everyday in a CrossFit gym that is open.

With people.

Gyms are small businesses that have been devastated by the government mandated shut downs.

In DC, NOTHING is open bc of Democrat tyrannical control.

So here's my hotel room workout.

We must FULLY reopen!

I work out everyday in a CrossFit gym that is open.

With people.

Gyms are small businesses that have been devastated by the government mandated shut downs.

In DC, NOTHING is open bc of Democrat tyrannical control.

So here's my hotel room workout.

We must FULLY reopen!

Our first session of New Member Orientation covered COVID in Congress.

Masks, masks, masks....

I proudly told my freshman class that masks are oppressive.

In GA, we work out, shop, go to restaurants, go to work, and school without masks.

My body, my choice.

It's not "your body your choice" if you infect others. What the heck are you thinking?

Did you really write this....or did someone hack into your account?

Our first session of New Member Orientation covered COVID in Congress.

Masks, masks, masks....

I proudly told my freshman class that masks are oppressive.

In GA, we work out, shop, go to restaurants, go to work, and school without masks.

My body, my choice.

It's not "your body your choice" if you infect others. What the heck are you thinking?

Did you really write this....or did someone hack into your account?

Our first session of New Member Orientation covered COVID in Congress.

Masks, masks, masks....

I proudly told my freshman class that masks are oppressive.

In GA, we work out, shop, go to restaurants, go to work, and school without masks.

My body, my choice.

It's not "your body your choice" if you infect others. What the heck are you thinking?

Did you really write this....or did someone hack into your account?

Americans would be appalled to see the condition of our nation's capital as a result of violence, destruction, and looting committed by the radical left.

Businesses boarded up, shut down ... many closed forever.

Democrats want shutdown ...

Republicans want to RE-OPEN!

More evidence that @realDonaldTrump won Georgia!

How many counties did this happen in?

If the integrity of our elections is secure, why are we picking up new votes everyday?

What are you going to do about it, @GaSecofState?

Due to BLM / Antifa TERRORIST violence, I thankfully had a police escort from the Trump Hotel to my Lyft.

The streets of DC were a war-zone, but I was left defenseless bc of anti-gun Democrats who run this city.

I will work every day to END every gun-free zone.

Due to BLM / Antifa TERRORIST violence, I thankfully had a police escort from the Trump Hotel to my Lyft.

The streets of DC were a war-zone, but I was left defenseless bc of anti-gun Democrats who run this city.

I will work every day to END every gun-free zone.

Due to BLM / Antifa TERRORIST violence, I thankfully had a police escort from the Trump Hotel to my Lyft.

The streets of DC were a war-zone, but I was left defenseless bc of anti-gun Democrats who run this city.

I will work every day to END every gun-free zone.

This is what @TeamPelosi's street thugs -- BLM / ANTIFA -- have done to our nation's capital. Violence, looting, destruction.

Pelosi refuses to call off her dogs!

If she gets her way in '21, she'll shut America down and DESTROY millions of small businesses.

RE-OPEN AMERICA!

How many of Georgia's 159 counties did this happen in?

David Shafer @DavidShafer
One of our monitors discovered a 9,626 vote error in the DeKalb County hand count. One batch was labeled 10,707 for Biden and 13 for Trump - an improbable margin even by DeKalb standards. The actual count for the batch was 1,081 for Biden and 13 for Trump.

Well said @KLoeffler!

There's a big difference in these two women.

My friend Kelly is an inspiring example of a successful businesswoman who has what it takes to lead for a great future.

@AOC is just some socialist chick from NY. Her own party doesn't even take her serious.

> **Kelly Loeffler** @KLoeffler
> Hi!

> Not surprising you'd babble some blatant lie to distract from your socialist...

I work out everyday in a CrossFit gym that is open.

With people.

Gyms are small businesses that have been devastated by the government mandated shut downs.

In DC, NOTHING is open bc of Democrat tyrannical control.

So here's my hotel room workout.

We must FULLY reopen!

I work out everyday in a CrossFit gym that is open.

With people.

Gyms are small businesses that have been devastated by the government mandated shut downs.

In DC, NOTHING is open bc of Democrat tyrannical control.

So here's my hotel room workout.

We must FULLY reopen!

Democrats are shutting down businesses & schools again using COVID cases as the excuse.

Yet no reports on recovery numbers.

There's no excuse for tyrannical government control over people's lives.

Destroying people's livelihoods and ruining our kid's education is unforgivable.

More Americans than ever are wearing a mask whenever they go anywhere in public.

But the Fake News Media says we're in the middle of a Chinese Virus "outbreak."

So do the masks work or not?!?

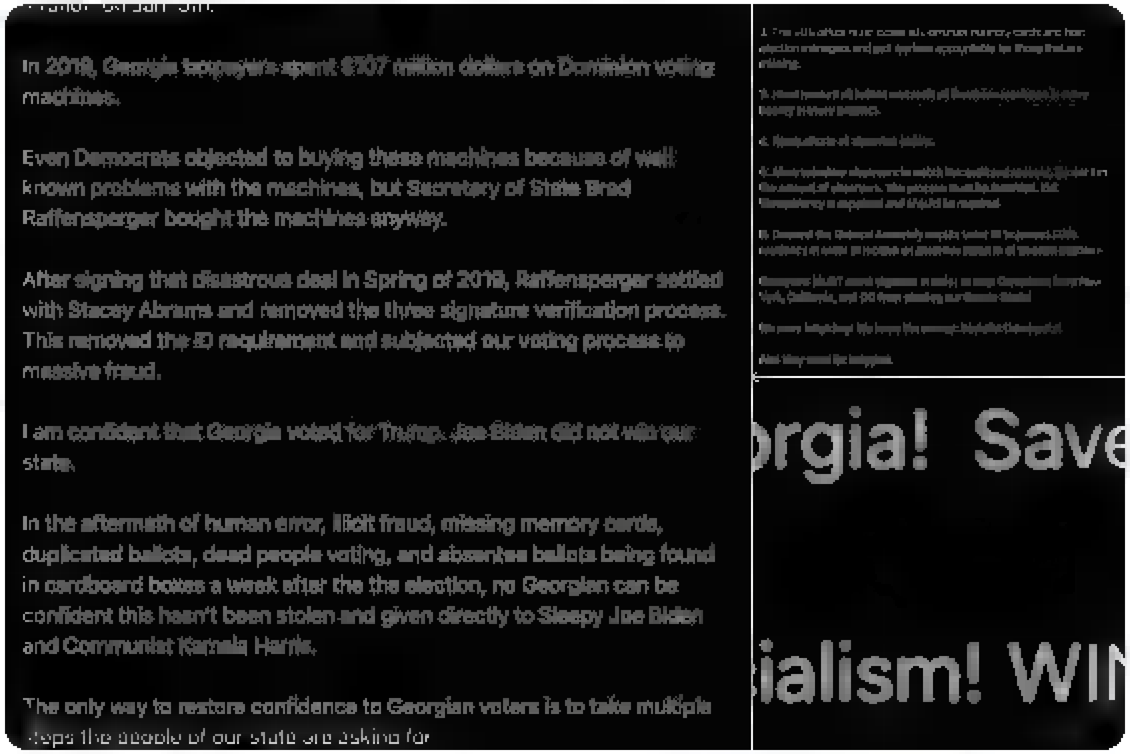
I've talked to thousands of Georgia taxpayers, Trump voters, and friends about our election.

It's time to fix it!



In 2019, Georgia taxpayers spent $107 million dollars on Dominion voting machines.

Even Democrats objected to buying these machines because of well known problems with the machines, but Secretary of State Brad Raffensperger bought the machines anyway.

After signing that disastrous deal in Spring of 2019, Raffensperger settled with Stacey Abrams and removed the three signature verification process. This removed the ID requirement and subjected our voting process to massive fraud.

I am confident that Georgia voted for Trump. Joe Biden did not win our state.

In the aftermath of human error, illicit fraud, missing memory cards, duplicated ballots, dead people voting, and absentee ballots being found in cardboard boxes a week after the the election, no Georgian can be confident this hasn't been stolen and given directly to Sleepy Joe Biden and Communist Kamala Harris.

The only way to restore confidence to Georgian voters is to take multiple steps the people of our state are asking for

Unlike DC, where the mayor is killing jobs and freedom.

Our first session of New Member Orientation covered COVID in Congress.

Masks, masks, masks....

I proudly told my freshman class that masks are oppressive.

In GA, we work out, shop, go to restaurants, go to work, and school without masks.

If we lose the integrity of our elections, we lose our republic.

Americans demand:
👉 Free & fair elections
👉 Honest counts of legal ballots
👉 Serious investigations of fraud

We need to match absentee ballot envelope signatures with those on file with voter registrations in GA!

I was under the understanding that signatures will be checked but now I'm told there must be a court order in Georgia.

Where is the order?

Many absentee ballot envelopes have been thrown away. How can elections be secure without a proper audit?

Fix it!

I'll be there tomorrow.

.@realDonaldTrump has asked for an audit of absentee ballots.

@GovKemp has asked for an audit of absentee ballots.

Now the entire @GaRepublicans state executive committee has asked.

And GA voters are demanding it!

Everyone agrees! Why is this so difficult @GaSecofState?

GA General Assembly,

Why is it legal to allow a third party to solicit absentee ballots from voters in Georgia?

Voters personal information, signatures, and party affiliation all given to a third party.

This needs to be changed ASAP!

#StopTheSteal

- There is no prohibition against a third party assisting in the completion of the application provided that the voter personally signs the application, affirming [illegible] the information is true and correct.
- They can be returned by fax, by mail, or in person. There are no restrictions [illegible] who may take possession of and transmit or deliver an application for an absentee ballot, or how those applications are transmitted or delivered. ([illegible] here, page 9)
- There are no restrictions against campaign materials being distributed along with the absentee applications.
- Any individual, organization or group may design [illegible] requirements specified by Georgia Election Code. However, we strongly recommend that individuals or organizations planning to distribute absentee ballot applications include the return address of the appropriate county elections official to whom the voter can return the completed application. Absentee ballot applications should NOT be returned to the Secretary of State's Office. Also, the voter has the right to return his or her own completed absentee ballot application if desired
    - The following fields must be included on a self-designed application:
    - Voter's name
    - Date of birth
    - Registration address
    - Out of county address to which the ballot should be sent,
    - Type of election (presidential preference primary, general primary, primary runoff, municipal, municipal runoff, special, general, general runoff),
    - Name of party ballot being requested (for primaries),
    - Date of election
    - Place for voter's signature including the date of the request

Currently a signature audit can NOT take place after certification.

The GA Assembly needs to pass legislation to allow for an audit of absentee ballot signatures!

Party observers could not watch signature verification from the start and can NOT verify afterwards!

This Thanksgiving, I'm thankful for the First Amendment.

As a new member of Congress in January, I will strongly be reminding everyone of it's meaning.

American's rights are being trampled by tyrannical leaders using Covid as the reason.

It's time to say enough.

Amendment I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

I agree with @TulsiGabbard, @RepThomasMassie, and @mattgaetz!

@realDonaldTrump should issue a full pardon to Julian Assange and Edward @Snowden.

Each risked his life to expose the crimes of Barack Obama and the Deep State against the American people.

Let them be free!

Let's look at some absentee voting history.

2012: Obama received 87,487
2016: Clinton received 98,417
2020: Biden received 849,182

Notice anything fishy?

If @AOC gets her way, people like you and me wouldn't get the chance to defend @realDonaldTrump in her socialist state.

She would force Chinese-style censorship on the American people.

I don't think so.

See you in January, Alexandria.

Polls are reporting Biden is ahead.

That's odd because none of us were polled.

I guess it's because me and 4,000 of my closest friends were busy this weekend.

Nothing like this happens for Biden.

He's not winning.

Facebook promotes and enforces "critical race theory," and now businesses based on skin color.

What about Asian, Indian, Hispanic, Caucasian, mixed, and all other businesses?

In America, we are ALL equal.

All businesses matter, just like All Lives Matter.

Stop the racism!

The left is "elite" in their own minds. Their hypocrisy has no bounds.

They use Covid derangement syndrome to ruin businesses and our children's lives with their tyrannical shutdowns.

Then promote only one skin color #BLM.

I wish the governor a speedy recovery, just like virtually everyone who contracts this virus.

But this brings up an important question ... did the governor not follow his own rules or do his own rules just not work?

Funded third party groups are targeting GA and pushing absentee ballot voting.

They harass people even on their cell phones.

@GaSecofState put a stop to this!

@GovKemp please protect Georgians from being harassed by outsiders trying to steal our Senate seats.

We recently mailed you an application to vote absentee by mail in the Georgia runoff election on January 5th. Will you send it in? Or just apply online here> https://ballotrequest.sos.ga.gov

The damage being done to this generation of children by government mandated school shut downs is immeasurable at this time.

Loss of learning, socializing, development, activities, and so much more!

Resulting in record high depression and suicide in children.

It's UNFORGIVABLE!

They cant be bothered to audit & be transparent about our election results. Just believe that it was free & fair, they say. We provide evidence in key states, then they say no evidence exists? They keep us on lockdown unable to work? Corps open, small business crushed? 3rd world!

Yes, we want to check signatures AND have Republican monitors watching!

> **Donald J. Trump** @realDonaldTrump
> The best way to insure a @KLoeffler and @sendavidperdue VICTORY is to allow signature checks in the Presidential race, which will insure a Georgia Presidential win (very few votes are needed, many will be found). Spirits will soar and everyone will rush out and VOTE! @BrianKempGA

Trump is the most popular Republican Prez. Dems dont even like Biden. We now have footage of ballots hidden under a table that were being counted the same time a massive Biden dump was added to the totals! It's a psyop. 80 mil didnt vote for him. Dont move on. STAY MAGA STRONG

Yesterday we learned a forensics examination of a Ware County, GA #DominionVotingSystems machine found votes were switched from @realDonaldTrump to @JoeBiden.

This is one machine in one county in one state.

Did this happen elsewhere? We need to know!

We are deeply saddened to hear this tragic news.
We will be praying for Harrison's family. 🙏

> It is with an extremely heavy heart that we mourn the loss of Harrison Deal. My heart aches for his family, and Jeff and I will continue to surround them in love and prayer in the days ahead. Harrison was a beloved member of our campaign team.

Serious question(s), would you concede if you:

— Needed to hold onto power to avoid certain criminal prosecution?

— Were $400M+ in personal debt?

— Raised $200M+ from your supporters since Election Day?

— Got to keep 75% of that?

.@GeoffDuncanGA, I would hardly call the Georgia election fair for @realDonaldTrump.

Mark Davis, an election consultant who tracks voting data, testified at the hearings last week and revealed these UNFAIR findings.

Georgia did not elect Biden and we must save the Senate! twitter.com/cnnpolitics/st …

1,043 votes were cast by people illegally registered as residing at P.O. boxes.

395 voters (so far) illegally cast ballots in two or more States.

15,700+ voters cast ballots who had moved out of State more than 30 days before the election.

10,315 illegal votes were cast by people who had deceased prior to the November election.

All the “Republicans” who just couldn’t bring themselves to pull the lever for Trump bc they don’t like his tweets gave Biden the chance to steal the Presidency.

They are responsible for these two picks.

Hope the self-righteousness feels good!

Our Georgia businesses are the core of our GA economy.

As a longtime GA business owner myself, I know how hard it is, day in and day out, to earn a living.

GA is the economic hub of the south & we should be wise about who is invited in.

China should have never been invited!

The best solution is to Re-Open America and let people work.

@AOC, NY'ers pay too much state taxes bc y'all elect Democrats, like you, that raise taxes way too high.

Here's the truth:

Killing a baby in the womb is the worst lie sold to women and it doesn't solve problems. Nor is it women's "healthcare."

Mask wearing should be a choice bc if mask work, the wearer is safe.

Forcing children to wear masks is oppressive and unnecessarily abusive.

Children are the LOWEST risk group for COVID-19.

Forced mask compliance is a violation of people's (and kids) life, liberty, and happiness.

Masks and shutdowns are about control, not saving lives.

He has 4 lesions on his brain that are bleeding.
A few spots on his lungs and pancreas.

He's been sick for a while but stayed home a lot to avoid COVID-19.

My family is heartbroken.

My Mom can't even go see him, which is just wrong.

He doesn't have COVID and he's been tested several times.

But we are told he probably has cancer.

More test will be done this week while he is in the hospital.

What is right is called wrong.

What is true is called a lie.

People are replacing faith in God with faith in government and "science."

These grifters switched to the Democrat Party bc they never were conservative.

Not only did @stephenfhayes push Russian conspiracies against Trump, he spread the lie that led to the war in Iraq.

He sat behind a desk misleading the American people, while 1000s of young men and women were sent to die in a war we should have never been in.

It's despicable!

Imagine if Government got out of the way and let our country re-open and do what our founders died to allow us to do!

Problem solved.

A few reasons why conservatives will be voting NO tomorrow. @chiproytx twitter.com/chadpergram/st …

"Supporting this is a vote to fund an education system that is failing to educate our children while teaching them that America is evil," they wrote, "it is a vote to fund grants to states that run a badly broken election system; it is a vote to fund a healthcare system that empowers insurance companies at the expense of hard-working Americans; it is a vote to underfund border security and empower cartels; it is a vote to continue war without so much as a debate much less a vote on a new AUMF for our men and women in uniform; it is a vote to fund Planned Parenthood; and, among many other things, it is a vote to send money to state and local agencies that are perpetuating the shutdowns that are destroying our way of life.

THIS is why I am objecting to fraudulent electoral votes for Joe Biden on Jan 6th!

Our numbers in Congress are growing strong 💪 and we have 75 million who feel just like this.

We will not go silently into Socialism and allow our re-election of @realDonaldTrump to be stolen.

> **Sunshine** @SunshineDreame6
> They have now attempted a steal of our most precious right – our right to cast our vote in such a brazen way, it is as if they dare us to do something about it. This after a year they made us a prisoner in our own homes, destroyed our businesses and shut our churches down. 7/9

A “Pastor” who runs over his wife’s foot leaving his wife and kids, and is known by those closest to him to be a “great actor” is NOT who we need holding power in the Senate!

Why was he leaving in such a hurry is the question.

Rumor is that he was caught cheating with a man.

Kelly Loeffler @KLoeffler
"This man is running for the U.S. Senate... I've been trying to be very quiet about the way he is for the sake of my kids and his reputation... he is a great actor. He is phenomenal at putting on a really good show."

In Floyd Co, GA, the Board of Elections allowed 2 Dems to count ballots today.

1 Rep showed up to count & was told to leave. She refused & stayed to count.

Now, BOE sent an email to Floyd Co GOP & said she is no longer allowed to count bc she asked questions.

This is absolutely ridiculous and how election fraud happens.

@realDonaldTrump won!!!

Winners stay steady and fight the good fight.

How does it feel to be quote tweeted with resounding approval by Democrats & Progressives while you call yourself "Republican" & say #RestoreOurGOP?

75+ million "grifters" know @realDonaldTrump's election was stolen.

Don't worry, traitors @ProjectLincoln will donate to you.

> **Adam Kinzinger** @RepKinzinger
> All this talk about Jan 6th from @realDonaldTrump and other congressional grifters is simply explained: they will raise money and gain followers by blaming everyone else knowing full well they can't do anything. It's sad, and an utter scam. #restoreourgop

In ten days, I'll join with my colleagues on the House floor in objecting to the Electoral College certification so the American people can see the clear evidence of voter fraud that occurred across this country on November 3.

Fake Tapper is the last person that can comment on conservative principles.

He's a gun grabbing Democrat hack who started his career in DC as press secretary for a leftist Congresswoman.

If Tapper sides with you, you aren't a conservative. twitter.com/jaketapper/sta ...

In 1992, Tapper served as a Campaign Press Secretary for Democratic congressional candidate Marjorie Margolies-Mezvinsky (PA-13) and later served as her congressional press secretary. Tapper also worked for Powell Tate, a Washington, D.C., public relations firm run by Democrat Jody Powell and Republican Sheila Tate. Tapper also worked briefly for Handgun Control, Inc. (now the Brady Center to Prevent Gun Violence) in 1997.[19]

There are only TWO GENDERS.

Male and female.

That's it.

It must be humiliating to @SpeakerPelosi that she has to go along with absurd gender lies in order to shore up votes from the extremist in her delegation to hold that gavel again in the #117thCongress.

What a joke.

Why haven't they done signature verification in Fulton County, Georgia. Why haven't they deducted all of the dead people who "voted", illegals who voted, non Georgia residents who voted, and tens of thousands of others who voted illegally, from the final vote tally?

Why hasn't @JoeBiden not called for investigations into the integrity of our 2020 election?

This is not a partisan issue.

@realDonaldTrump investigated the 2016 election and the Russian collusion hoax.

Democrats should be just as concerned as Republicans about voter fraud.

Who owns those courts, pays the bills, pays the salaries, and is forced to pay for this outright refusal to hear the evidence and truth of voter fraud?

Tax payers.

Why would anyone refuse to hear the complaints of the people paying the bills?

That's bad customer service...

A message from the Capitol.

Be safe. Be smart. Stay peaceful. Obey the laws.

This is not a time for violence.

This is a time to support President Trump and support election integrity.

I will still object to fraudulent electoral votes.

Despicable violence committed by fringe agitators will not silence my voice or derail the Constitutional process that Congress must complete.

It's our duty as members of the People's House to ensure election integrity.

Republicans that constantly pass the buck and blame others have “no courage.”

Standing up for the people when their states refused to listen to them takes courage.

Joe Biden announced he's nominating radical Socialist RI Gov Gina Raimondo for Commerce Secretary.

Raimondo's bio says that at the age of 56, her father's job was shipped off to China.

You can bet Joe Biden supported the VERY trade deal that shipped her father's job to China.

Dems in Congress have cheered on the Silicon Valley Cartel's assault on conservative speech in America for years now.

But when BLM / ANTIFA burns American cities and attacks Americans, they don't condemn violence, they actively promote it on the same Big Tech platforms.

What we're seeing from the radical left in America is the beginning of their insatiable desire to purge the ideas of their political opponents from the public square - to shut them up and eliminate them.

Talk of cleansing the movement?

Let me make this clear to everyone that agrees with this sick violation of our rights.

You can NOT cleanse the movement.

You can't even come close to stopping it.

It's the American People.

The American People invented electricity, automobiles, airplanes, televisions, cell phones, and virtually every other incredible invention before social media.

America's greatness lies with the people.

Not Twitter. Not Government.

It's time to dig into that American spirit.

Fake Jake, could you also report that @SpeakerPelosi & @RepGwenMoore exposed EVERYONE in the entire Capitol, when Rep Moore was summoned to vote for Pelosi last week.

They did not beam her into the useless #COVID19 box in the upper corner of the chamber.

The blame is on them.

Let's look at some absentee voting history.

2012: Obama received 87,487
2016: Clinton received 98,417
2020: Biden received 849,182

Notice anything fishy?

I denounce ALL of the violence by everyone in the Capitol attack.

Antifa was involved.

Why is that being ignored?

Why does the media always give Antifa a pass?

Why do Democrats always give Antifa a pass?

The insurrection started on Jan. 20, 2017.

Radical Communist Antifa launched an attack on the very first day of the Trump presidency.

217 arrested.

This is the Democrat base.

This is who they support, fund, and defend.

It's who they were then and who they are now.

The media could not be played.

The timeline doesn't fit the narrative.

Trump supporters could not have listened to President Trump's speech at the WH and then been "incited" by him to walk to and attack the Capitol.

The attack was terrible!

Why was the request for the National Guard denied days before?

Marjorie Taylor Greene hat Rep. Pramila Jayapal retweetet

I hope you fully recover from #COVID19 without any complications! Before you point fingers at me or anyone else, you need to talk directly to @SpeakerPelosi about exposing ALL of us to covid when she called back POSITIVE covid House members last week for votes for Speaker!https://twitter.com/repjayapal/status/1348871117407203328 …

Marjorie Taylor Greene hat hinzugefügt,

I just received a positive COVID-19 test result after being locked down in a secured room at the Capitol where several Republicans not only cruelly refused to wear a mask but recklessly mocked colleagues and staff who offered them one. https://jayapal.house.gov/2021/01/11/covid-test/ …

Not only will we always FIGHT for @realDonaldTrump, we will always FIGHT for you!

I was so inspired to lead the #MarchForTrump from Freedom Plaza, down Pennsylvania Avenue, and directly to the steps of the Supreme Court.

I promise you, you have not been forgotten.

We will win!

Be a journalist NOT a joke @bluestein

It's a scam bc Perry NEVER requested an absentee ballot and NEVER filled one out!

So why did an absentee ballot get cast in his name?

How does that happen?

Why did he have to cancel a vote he didn't make, before casting his real vote?

Two issues I wanted to ask about:

1. A number of members have criticized the Congresswoman's stance on masks for contributing to the current outbreak among members. How does she respond to accusations she's endangering her colleagues and their staff?

2. A group of progressive organizations have called on House GOP leadership to strip the Congresswoman of her committee assignments, citing her past comments on Qanon, such as her reference to "a

Re: Request for comment from NBC News

1. Those members should be looking directly at Speaker Pelosi who brought in COVID positive members of the Democrat Party to vote for her for Speaker. Congresswoman Greene tested negative on Jan. 4 before her trip on Air Force One. If you don't have COVID, you can't spread COVID. It's a ridiculous accusation and you should ask them why they aren't complaining about Speaker Pelosi's actions.
2. These "progressive organizations" will come up with any excuse to demean and attack Republican members of Congress. Have you asked these organizations why they haven't called for committee assignments be stripped from members of Congress that have endorsed and incited the BLM/Antifa terrorism that rocked

You used one word of my spokesman's response in regards to your mask accusation.

You didn't mention @SpeakerPelosi dragging in a COVID positive member to vote for her.

You didn't mention BLM/Antifa terrorism supported by Democrats like @KamalaHarris.

You are Fake News.

Gyms are small businesses that have been devastated by the government mandated shut downs.

In DC, NOTHING is open bc of Democrat tyrannical control.

Morons like you are responsible for losing GA's 2 Republican Senate seats. You ran a Nov 3rd election that was stolen bc you idiots at the SOS mailed out millions of absentee ballots to any one and everyone while GA was an open state. Then you counted ballots on Dominion..https://twitter.com/gabrielsterling/status/1350546120884314112 …

The drop off in GOP turnout from Nov to Jan was driven by Trump and most prominently in areas represented by Doug Collins and Marjorie Taylor Greene. These folks cost the GOP two senate seats and control of the Senate. Giving Biden and Dems a free hand. #gapol pic.twitter.com/TnmuV1CO9U

President-elect @JoeBiden's pick for assistant secretary of health "likely contributed to the thousands of elderly deaths in Pennsylvania" by placing COVID positive patients into nursing homes.

This person is unfit to be confirmed by the Senate.

prevent legal ownership of firearms turn schools into targets.

As someone who was personally locked in a classroom in 11th grade due to a fellow student who brought guns to our "gun-free "school intent to kill others, I'm proud to say I'll cosponsor the Safe Students Act to repeal "gun-free" school zone laws and allow Americans to protect our children.

I personally understand the fear as a student when there is no good guy with a gun to protect us from the bad guy with guns.

As a mother, I also personally understand the fear every parent feels when their children are left as sitting targets all day at "gun-free" school zones.

Scot Peterson allowed children to be left defenseless against an active shooter. When he was supposed to protect them, he was a coward and refused to go in.

…y in the world would he receive such a lucrative …nsion after the tragic school shooting at Marjory …oneman Douglas High School?

… sickening.

…e shooter should have never been allowed to set fo… campus and he should have been expelled long …fore he murdered people.

…liticians and Hollywood celebrities are the first to …otect themselves with armed security, as you can …early see by the military fortress around the Capitol, …t oddly many of them also want to take away …nericans rights to defend themselves with guns.

…r children are the most important people in our …untry and they should be protected by good guys w… …ns.

"We're not Antifa, let's march around the other side."
Alex Jones

I denounce ALL of the violence by everyone in the Capitol attack.

Antifa was involved.

Why is that being ignored?

Why does the media always give Antifa a pass?

Why do Democrats always give Antifa a pass?

One of Joe Biden's first actions as Pres is to eliminate approx 11k private sector jobs - 8k are union (Keystone Pipeline).

"Blue Collar Joe" has always been a figment of his imagination.

For 50 years he's supported policies / trade deals that crushed blue collar workers.

Yesterday's inauguration looked like a one party military state takeover with 30K troops.

People were told not to go & flags were planted to show the fake support.

Biden calls for unity after the Dem party has attacked & continues to attack anyone that disagrees with them.

First Pelosi gets members of the House sick by bringing covid positive members in to vote for her and her ridiculous no gender pronouns/family words rules.

Now 'ole Joe can't remember his own mask rules.

Produce fake news, spread it all around, then tag all fake news stories about their victim in all future stories.

'Women's Sports Should Be Women's Sports' Congresswoman Marjorie Taylor Greene Cosponsors the Protection of Women and Girls in Sports Act

No excuse for violence, & I along with all Republicans have denounced the Capitol attack & had nothing to do with it.

Imagine if we called it a "peaceful protest"

Said "people will do what they do"

And shared bail bond links for those arrested from attack.

I don't believe Joe Biden received 80 million votes and his low approval ratings reflect he didn't.

Every court case of election fraud was thrown out on standing and not on evidence.

Thousands of people claiming fraud, signed affidavits at risk of perjury and they been ignored.

I work out everyday in a CrossFit gym that is open.

With people.

Gyms are small businesses that have been devastated by the government mandated shut downs.

In DC, NOTHING is open bc of Democrat tyrannical control.

So here's my hotel room workout.

We must FULLY reopen!

Biden reversed Trump's Executive Order to reduce pricing for insulin and epinephrine.

Democrats want higher insulin prices?

Bloomberg

Biden's HHS Freezes Trump Insulin, Epinephrine Rule Until March

- Rule was published in late December
- Move part of large-scale regulatory freeze by new administration

By Jacquie Lee | January 21, 2021 05:49PM ET | Bloomberg Law

The HHS Thursday froze the former Trump administration's December drug policy that requires community health centers to pass on all their insulin and epinephrine discount savings to patients.

Centers that don't pass on the savings wouldn't qualify for federal grants. The rule, which was finalized in late December, is delayed until March 22, the Department of Health and Human Services said in a Federal Register post.

This freeze is part of the Biden administration's large-scale effort announced this week that will scrutinize the Trump administration's health policies. If the previous administration's policies raise "fact, law, or policy" concerns, the Biden HHS will delay them and consult with the Office of Management and Budget about other actions.

Former HHS leaders argued the drug rule would benefit patients who struggle to pay for expensive insulin and allergy medication. However, the health centers said they already pass on those savings and this rule is merely an administrative burden that paints them as entities that price-gouge patients. It's not clear how

I OPPOSE a gas tax hike. This would hurt lower and middle income Americans the most. And increase costs for small businesses who are already getting crushed by Democrat shutdowns.

The vast majority of Republican voters, volunteers, and donors are no longer loyal to the GOP, Republican Party, and candidates just because they have an R by their name.

Their loyalty now lies with Donald J Trump.

Here's the warning the GOP needs to hear.

The vast majority of Republican voters, volunteers, and donors are no longer loyal to the GOP, Republican Party, and candidates just because they have an R by their name.

Their loyalty now lies with Donald J Trump.

I work out everyday in a CrossFit gym that is open.

With people.

Gyms are small businesses that have been devastated by the government mandated shut downs.

In DC, NOTHING is open bc of Democrat tyrannical control.

So here's my hotel room workout.

We must FULLY reopen!

I work out everyday in a CrossFit gym that is open.

With people.

Gyms are small businesses that have been devastated by the government mandated shut downs.

In DC, NOTHING is open bc of Democrat tyrannical control.

So here's my hotel room workout.

House Republicans

The Hyde Amendment has had nearly half a century of overwhelming, bipartisan support.

It's saved millions of lives and stopped taxpayer funding of abortions.

Now, it's under attack by far-left Democrats.

Republicans are fighting to #SaveHyde:

January 26, 2020

The Honorable Nancy Pelosi
Speaker of the House of Representatives
U.S. House of Representatives
Washington, DC 20510

The Honorable Kevin McCarthy
Republican Leader
U.S. House of Representatives
Washington, DC 20510

The Honorable Chuck Schumer
Majority Leader
U.S. Senate
Washington, DC 20510

The Honorable Mitch McConnell
Minority Leader
U.S. Senate
Washington, DC 20510

To Speaker Pelosi, Republican Leader McCarthy, Majority Leader Schumer, and Minority Leader McConnell:

We write to express our unified opposition to Congressional Democrats' efforts to repeal the Hyde Amendment and other current-law, pro-life appropriations provisions. As part of their pro-abortion crusade, Democrats have taken direct aim at these longstanding, bipartisan protections that generally prevent the federal government from using taxpayer dollars to support abortion procedures.

Repealing these pro-life provisions would destroy nearly half a century of bipartisan consensus. Each year since 1976, Congress has included Hyde protections in annually enacted appropriations. No president in American history has ever vetoed all appropriations bills due to its inclusion of the Hyde Amendment.[1] Moreover, President Obama maintained the Hyde Amendment in each of his budget proposals.[2] As recently as June 2019, former Vice President Joe Biden supported the Hyde Amendment and acknowledged that it works harmoniously with federal funding for women's healthcare.[3]

Years of public polling indicates that repealing the Hyde Amendment is opposed by most of the American public.[4] Congressional Democrats now seek to further erode public trust in government by ignoring mainstream public opinion in favor of placating the radical Left.

The Hyde Amendment alone has saved the lives of over 2 million innocent babies[5] and continues to protect the conscience rights of a vast majority of Americans opposed to publicly funded abortions. We cannot allow the Hyde Amendment and other important pro-life safeguards to be decimated by Congressional Democrats. Accordingly, we pledge to vote against any government funding bill that eliminates or weakens the Hyde Amendment or other current-law, pro-life appropriations provisions.

Sincerely,

Rep. Jim Banks (IN-3)
Chairman, Republican Study Committee

Rep. Steve Scalise (LA-1)
House Republican Whip

You, of all people, that preaches abortion from the pulpit should not judge.

You don't believe the very word of God that created us male and female in His image and declares, "Before I formed you in the womb I knew you."

"Pastor," being a heretic is far worse than fake news.

Fake News CNN is writing yet another hit piece on me focused on my time before running for political office.

I will never back down to the enemy of the American people and neither should you.

Especially the ones that CNN is about to spread across the internet.

They are taking old Facebook posts from random users to try to cancel me and silence my voice.

CNN hasn't once tried to cancel a Democrat. Even those who called for violence while in office.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

They are coming after me because I'm a threat to their goal of Socialism.

They are coming after me because they know I represent the people, not the politicians.

They are coming after me because, like President Trump, I will always defend our values.

Fake News CNN is writing yet another hit piece on me focused on my time before running for political office.

I will never back down to the enemy of the American people and neither should you.

Especially the ones that CNN is about to spread across the internet.

They are taking old Facebook posts from random users to try to cancel me and silence my voice.

CNN hasn't once tried to cancel a Democrat. Even those who called for violence while in office.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

They are coming after me because I'm a threat to their goal of Socialism.

They are coming after me because they know I represent the people, not the politicians.

They are coming after me because, like President Trump, I will always defend our values.

CNN hasn't once tried to cancel a Democrat. Even those who called for violence while in office.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

They are coming after me because I'm a threat to their goal of Socialism.

They are coming after me because they know I represent the people, not the politicians.

They are coming after me because, like President Trump, I will always defend our values.

Fake News CNN is writing yet another hit piece on me focused on my time before running for political office.

I will never back down to the enemy of the American people and neither should you.

Especially the ones that CNN is about to spread across the internet.

They are taking old Facebook posts from random users to try to cancel me and silence my voice.

You, of all people, that preaches abortion from the pulpit should not judge.

You don't believe the very word of God that created us male and female in His image and declares, "Before I formed you in the womb I knew you."

"Pastor," being a heretic is far worse than fake news.

You, of all people, that preaches abortion from the pulpit should not judge.

You don't believe the very word of God that created us male and female in His image and declares, "Before I formed you in the womb I knew you."

"Pastor," being a heretic is far worse than fake news.

This is dangerous and unacceptable for a member of Congress. We're entrusted to serve and represent all of our constituents. This extreme and violent rhetoric only fans the flames of division, and we've just seen how deadly those flames can be. twitter.com/KFILE/status/1...

You, of all people, that preaches abortion from the pulpit should not judge.

You don't believe the very word of God that created us male and female in His image and declares, "Before I formed you in the womb I knew you."

"Pastor," being a heretic is far worse than fake news.

Fake News CNN is writing yet another hit piece on me focused on my time before running for political office.

I will never back down to the enemy of the American people and neither should you.

Especially the ones that CNN is about to spread across the internet.

They are taking old Facebook posts from random users to try to cancel me and silence my voice.

CNN hasn't once tried to cancel a Democrat. Even those who called for violence while in office.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

They are coming after me because I'm a threat to their goal of Socialism.

They are coming after me because they know I represent the people, not the politicians.

They are coming after me because, like President Trump, I will always defend our values.

Fake News CNN is writing yet another hit piece on me focused on my time before running for political office.

I will never back down to the enemy of the American people and neither should you.

Especially the ones that CNN is about to spread across the internet.

They are taking old Facebook posts from random users to try to cancel me and silence my voice.

CNN hasn't once tried to cancel a Democrat. Even those who called for violence while in office.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

They are coming after me because I'm a threat to their goal of Socialism.

They are coming after me because they know I represent the people, not the politicians.

They are coming after me because, like President Trump, I will always defend our values.

Fake News CNN is writing yet another hit piece on me focused on my time before running for political office.

I will never back down to the enemy of the American people and neither should you.

Especially the ones that CNN is about to spread across the internet.

They are taking old Facebook posts from random users to try to cancel me and silence my voice.

CNN hasn't once tried to cancel a Democrat. Even those who called for violence while in office.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

They are coming after me because I'm a threat to their goal of Socialism.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

They are coming after me because I'm a threat to their goal of Socialism.

They are coming after me because they know I represent the people, not the politicians.

They are coming after me because, like President Trump, I will always defend our values.

Fake News CNN is writing yet another hit piece on me focused on my time before running for political office.

I will never back down to the enemy of the American people and neither should you.

Especially the ones that CNN is about to spread across the internet.

They are taking old Facebook posts from random users to try to cancel me and silence my voice.

CNN hasn't once tried to cancel a Democrat. Even those who called for violence while in office.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

I have all kinds of friends of different races, religions, political preferences, and football team
fans. And I genuinely like them all because I really like people. I also know that they love
America, the same as me, because it's home for all of us. It's ok with me if we disagree on
those issues because I still like everyone anyway. I think that all of us being different, yet being
friends with one another is one of the things that makes America so great! If we all stayed
huddled up in our little groups of race, religion, politics, and team preferences, life would be
boring, stagnant, and we would never learn and grow from one another. Yet real peace is
achieved when we are able to look past skin color, political parties, faith views, and jersey
color, and just enjoy one another without having to recruit or argue people to our side or
opinion.
Tonight is the last presidential debate. For me, I just want a president, cabinet, and congress
that will work on real solutions like our 20 trillion dollar national debt, sinking healthcare
system, national security, and create a growing economy that increases jobs for Americans. I
do not care if they are red or blue, I really don't. To be honest, I'm sick and tired of politicians
anyway. I just want those issues fixed because I want a good future for my children. And what
I know about most of my friends is that all of you want the same thing I want.
I am tired of seeing so much division among the great people of this country. This election,
the division has grown more and more, and it is sad. Come on people, we are better than this!
Let us all do better! There is only one way to peace, which leads to all good things, and that is
by loving one another in spite of our differences. That is what makes us Americans. That is
what we do.
So if you have considered un-friending me, or anyone else because of personal opinions,
reconsider! I have not un-friended anyone and I won't because I am thankful for all my friends,
even though we are different. And to be completely honest, this world would be boring and
dull without our different colors, views, ideas, and opinions.
So don't get discouraged because your Facebook feed isn't just full of cute animal or baby
pictures all the time. That's not real life, and we can't all live with our heads stuck in the sand.
Instead, be glad that you are friends with people who care about our country and our future.
And if their opinions are different from mine or yours, or we are different from one another,
let's try to be understanding instead of angry. And let's all try to post the cute, happy, funny
things too. I will try to follow up with a baby goat video after this, ha!
Thanks for reading this and thanks for being my friend, even if we are different

I love when scientist discover something that God tells us about in the bible. It is interesting that they are finding proof that massive amounts of water lie deep in the Earth. Yet God told us of this water, "springs of the deep" in Genesis. The flood in Noah's day tells so much about our Earth. Genesis 7:11, "...on that day all the springs of the deep burst forth, and the flood gates of the heavens were opened."
It wasn't just 40 days and nights of rain that flooded the Earth, but the springs of the deep burst forth through the land and massive amounts of water covered the Earth along with the rain.
At the end of this article the scientist even says that if those deep oceans weren't contained the water would cover all the land, which is exactly what happened in Noah's day. God even tells us in Genesis 7:20, "The waters rose and covered the mountains to a depth of more than 20 feet." That gives a very detailed account for scientist today to be able to determine how much water lies deep inside the Earth.
Genesis 8:2, "Now the springs of the deep and the floodgates of the heavens had been closed, and the rain had stopped falling from the sky." It goes on to say that at the end of 150 days the water had gone down, but the ark didn't come to a rest on Mt Ararat until 7 months and 17 days after the flood began.
One of the most amazing and faith confirming things I have ever studied is science from a … What an amazing God!

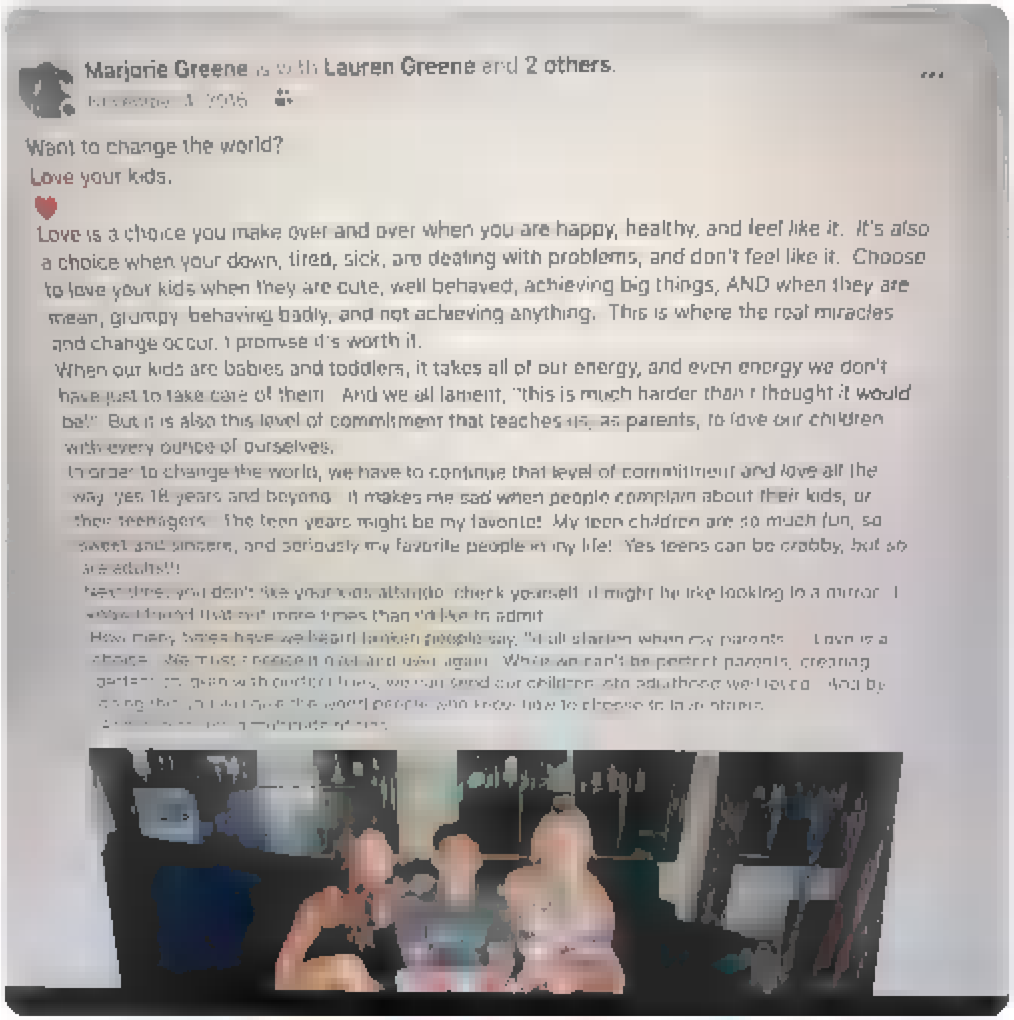
I'm sure the media would never report breaking news about how grateful I am to be a mother.

And how I feel about our responsibility as parents.



Marjorie Greene is with Lauren Greene and 2 others.

Want to change the world?
Love your kids.
❤

Love is a choice you make over and over when you are happy, healthy, and feel like it. It's also a choice when your down, tired, sick, are dealing with problems, and don't feel like it. Choose to love your kids when they are cute, well behaved, achieving big things, AND when they are mean, grumpy, behaving badly, and not achieving anything. This is where the real miracles and change occur. I promise it's worth it.

When our kids are babies and toddlers, it takes all of our energy, and even energy we don't have just to take care of them. And we all lament, "this is much harder than I thought it would be!" But it is also this level of commitment that teaches us, as parents, to love our children with every ounce of ourselves.

In order to change the world, we have to continue that level of commitment and love all the way, yes 18 years and beyond. It makes me sad when people complain about their kids, or their teenagers. The teen years might be my favorite! My teen children are so much fun, so sweet and sincere, and seriously my favorite people in my life! Yes teens can be crabby, but so are adults!!

As someone who was personally locked in a classroom in 11th grade due to a fellow student who brought guns to our "gun-free "school intent to kill others, I'm proud to say I'll cosponsor the Safe Students Act to repeal "gun-free" school zone laws and allow Americans to protect our children.

I personally understand the fear as a student when there is no good guy with a gun to protect us from the bad guy with guns.

As a mother, I also personally understand the fear every parent feels when their children are left as sitting targets all day at "gun-free" school zones.

Scot Peterson allowed children to be left defenseless against an active shooter. When he was supposed to protect them, he was a coward and refused to go in.

Since the media wants to define me by my old social media posts, then why won't they run breaking news stories on these old post of mine?

Is it bc they don't fit the narrative?

Marjorie Greene
October 19, 2016

I have all kinds of friends of different races, religions, political preferences, and football team fans. And I genuinely like them all because I really like people. I also know that they love America, the same as me, because it's home for all of us. It's ok with me if we disagree on these issues because I still like everyone anyway. I think that all of us being different, yet being friends with one another is one of the things that makes America so great! If we all stayed huddled up in our little groups of race, religion, politics, and team preferences, life would be boring, stagnant, and we would never learn and grow from one another. Yet real peace is achieved when we are able to look past skin color, political parties, faith views, and jersey color, and just enjoy one another without having to recruit or argue people to our side or opinion.

Tonight is the last presidential debate. For me, I just want a president, cabinet, and congress that will work on real solutions like our 20 trillion dollar national debt, sinking healthcare system, national security, and create a growing economy that increases jobs for Americans. I do not care if they are red or blue, I really don't. To be honest, I'm sick and tired of politicians anyway. I just want those issues fixed because I want a good future for my children. And what I know about most of my friends is that all of you want the same thing I want.

I am tired of seeing so much division among the great people of this country. This election, the division has grown more and more, and it is sad. Come on people, we are better than this! Let us all do better! There is only one way to peace, which leads to all good things, and that is by loving one another in spite of our differences. That is what makes us Americans. That is what we do.

So if you have considered un-friending me, or anyone else because of personal opinions, reconsider! I have not un-friended anyone and I won't because I am thankful for all my friends even though we are different. And to be completely honest, this world would be boring and dull without our different colors, views, ideas, and opinions.

So don't get discouraged because your Facebook feed isn't just full of cute animal or baby pictures all the time. That's not real life, and we can't all live with our heads stuck in the sand. Instead, be glad that you are friends with people who care about our country and our future. And if their opinions are different from mine or yours, or we are different from one another, let's try to be understanding instead of angry. And let's all try to post the cute, happy, funny things too. I will try to follow up with a baby goat video after this, lol

Thanks for reading this and thanks for being my friend, even if we are different

Fake News CNN is writing yet another hit piece on me focused on my time before running for political office.

I will never back down to the enemy of the American people and neither should you.

Especially the ones that CNN is about to spread across the internet.

They are taking old Facebook posts from random users to try to cancel me and silence my voice.

CNN hasn't once tried to cancel a Democrat. Even those who called for violence while in office.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

They are coming after me because I'm a threat to their goal of Socialism.

They are coming after me because they know I represent the people, not the politicians.

They are coming after me because, like President Trump, I will always defend our values.

Fake News CNN is writing yet another hit piece on me focused on my time before running for political office.

I will never back down to the enemy of the American people and neither should you.

Especially the ones that CNN is about to spread across the internet.

They are taking old Facebook posts from random users to try to cancel me and silence my voice.

CNN hasn't once tried to cancel a Democrat. Even those who called for violence while in office.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

They are coming after me because I'm a threat to their goal of Socialism.

They are coming after me because they know I represent the people, not the politicians.

They are coming after me because, like President Trump, I will always defend our values.

Fake News CNN is writing yet another hit piece on me focused on my time before running for political office.

I will never back down to the enemy of the American people and neither should you.

Especially the ones that CNN is about to spread across the internet.

They are taking old Facebook posts from random users to try to cancel me and silence my voice.

CNN hasn't once tried to cancel a Democrat. Even those who called for violence while in office.

Here's the truth, the Democrats and their spokesmen in the Fake News Media will stop at nothing to defeat conservative Republicans.

They are coming after me because I'm a threat to their goal of Socialism.

They are coming after me because they know I represent the people, not the politicians.

They are coming after me because, like President Trump, I will always defend our values.

Being down at the southern border is a stark reminder of who is President right now, and who is not.

President Trump's administration was building the wall at a record pace. The wall was helping to secure the border. And the Biden administration brought construction to a halt.

After all the violence against the American people that was promoted and supported by Democrats, why didn't the American people get protection from 30,000 National Guard during Antifa/BLM riots?

And why don't Americans get a border wall when Congress gets a wall?

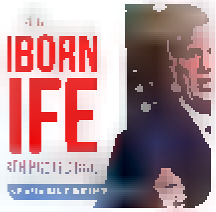
Agree!

Life starts at conception. Life is God's creation in the womb.

The most worthy thing we could ever accomplish would be to end abortion!

Let us work diligently to end the greatest evil ever committed on Earth, let us end abortion.

#WhyWeMarch



Kevin McCarthy @GOPLeader
The new administration has already shown its willingness to disregard unity and promote abortion at home and abroad. Now is the time for us to make our voices heard to protect the most innocent among us....

Rep. @CoriBush is the leader of the St. Louis Black Lives Matter terrorist mob who trespassed into a gated neighborhood to threaten the lives of the McCloskey's.

She is lying to you. She berated me.

Cori Bush @CoriBush · 1 Std.

A maskless Marjorie Taylor Greene & her staff berated me in a hallway. She targeted me & others on social media.

I'm moving my office away from hers for my team's safety.

I've called for the expulsion of members who incited the insurrection from Day 1. Bring H.Res 25 to a vote.

America Last policies are policies for sell outs and losers!

In these divisive times, real leaders must be determined and strong to be able to withstand the rabid mob that preys on weakness in order to get their way, which is to destroy our country.

Perpetual warmongering, pro-abortion Democrats like Bill Kristol are not welcome in the GOP.

Their neocon reign of death in the womb & across the world in pointless wars is unmatched.

These America Last globalists are clinging to relevance because the People have rejected them.

Rep. @CoriBush is the leader of the St. Louis Black Lives Matter terrorist mob who trespassed into a gated neighborhood to threaten the lives of the McCloskey's.

She is lying to you. She berated me.

Maybe Rep. Bush didn't realize I was live on video, but I have the receipts.

After the Capitol attack, 30,000 National Guard were brought in to secure the Capitol and protect the elites. Yet where was this type of protection for all of the people and American cities that have been ravaged over the last year?

It's all on video!

You instigated and attacked me, not the other way around.

You got caught in a lie.

You support and encourage BLM domestic terror. You led a mob to threaten the lives of the McCloskey's.

Stop playing the victim, Rep. @CoriBush.

It's all on video!

You instigated and attacked me, not the other way around.

You got caught in a lie.

You support and encourage BLM domestic terror. You led a mob to threaten the lives of the McCloskey's.

Stop playing the victim, Rep. @CoriBush.

I had a GREAT call with my all time favorite POTUS, President Trump!

I'm so grateful for his support and more importantly the people of this country are absolutely 100% loyal to him because he is 100% loyal to the people and America First.

I had a GREAT call with my all time favorite POTUS, President Trump!

I'm so grateful for his support and more importantly the people of this country are absolutely 100% loyal to him because he is 100% loyal to the people and America First.

Rep. @CoriBush is the leader of the St. Louis Black Lives Matter terrorist mob who trespassed into a gated neighborhood to threaten the lives of the McCloskey's.

She is lying to you. She berated me.

Maybe Rep. Bush didn't realize I was live on video, but I have the receipts.
